Description

Summary:

- Products: *Mojito mocktail* and *Salad* has no allergy information present as described formatting in UC2 and described type of allergens in UC1

Version: 0.0.2

Browser version: Chrome: 105.0.5195.127

User: No authentication is needed

Steps:

1. Open system - menu page
2. No filters should be applied
3. Select corresponding product to open it's preview

Expected result:

- *Mojito mocktail* and *Salad* allergy information present
 - **Sample** from product: *Garlic flat bread*

Actual result:

- Mojito mocktail:
 - No information present - empty space

- Salad:
 - No information present - empty space

Comments

Comment by [Richard Jalakas](#) [26/Sep/22]

Version 0.0.3:

<ul style="list-style-type: none">• Mojito has allergy information• Salad still does not have allergy information. It is expected if salad does not contain any allergens then it is expressed to the user that there are “No allergens”
